US Citizens and Permanent Residents may borrow federal Direct student loans (i.e. Unsubsidized loan, Graduate PLUS loan) and private student loans to cover the cost of attendance. Over the two academic year period a student may borrow up to the cost of attendance, minus other aid (i.e. scholarships, sponsorships, Corporate Tuition Assistance-CTA, other student loans). This includes \$20,500 in federal Direct Unsubsidized Loans per academic year. A federal Direct Graduate PLUS or private student loan may be used to cover the difference between your Direct Unsubsidized loans and cost of attendance per academic year. Generally, student loans are distributed equally over the terms within each academic year.

All financial aid applicants will need to apply for student aid and submit the Fuqua EMBA Financial Aid Form for each academic year if financing their MBA for all Terms. Also, each Term has a loan disbursement date (federal regulations states that loan funds must disburse no earlier than ten days before the start of class, per Term). Our office provides these dates to the lender so that they may disburse funds directly to the University, appearing on your student Bursar account.

Concentrations, Electives, & Certificates:

Please note that financial aid (i.e. loans, scholarships, etc.) administered by Fuqua is only applied to the required Terms and costs associated with the MBA degree. Therefore, optional Terms and costs for concentrations, electives (that are not a part of the degree curriculum), and certificates (i.e. HSM Certificate) are not covered by any financial aid.

*Please note that other considerations for the Cost of Attendance must be requested in writing (email), documenting proof of expenses (i.e. receipts, invoices, pre-order request forms):

- **Computer Expense:** If you are interested in applying for student loans to help cover computer costs, and not using the Fuqua Managed laptop program, please provide us with a printout of the computer description and the estimated cost from a reputable site (i.e. Best Buy). Fuqua Managed laptops must be approved by the program manager.
- **Airfare Expense:** Submit a copy of your itinerary from any online site (i.e. Travelocity, Orbitz, etc.) showing the departure/arrival dates and the estimated airfare. The itinerary should be for each Term within the respective academic year. Submit this request each academic year. We will only consider coach/economy class (not business economy or first class).
- **GATE Cost:** Students must be registered for the GATE program before requesting loans to cover the cost.

Please note that once we increase your borrowing eligibility by the airfare/computer expense, the funds for these expenses are typically disbursed in Term 1. The loan amount will disburse to your student Bursar account to satisfy any outstanding balance. Subsequently, since the loan amount is expected to reflect as an overpayment (credit amount) on your student Bursar account, the University Bursar's Office (billing office) will eventually issue a refund to you. The refund amount is what you will use to cover your airfare/computer expense.

Living Expenses:

In some cases, when a student is unexpectedly terminated from their job, we may consider increasing their cost of attendance by a monthly living expense (which is based on the monthly room and board rate in Durham for our Daytime MBA students). We do not consider the living expense if a student voluntarily leaves their job or was already aware of a temporary assignment.
